

What is the Outside the Box Series?

There are so many AWESOME opportunities to learn and grow on screens right now! So many ways for little minds to create and explore! But we want to make sure we are helping you explore outside of the digital box with your family and friends.

“Outside the Box” activity sheets are published as a part of The Rose Theater’s First Stage series and are distributed at Little Libraries and other locations around the Omaha area!

Each month you will find:

- **A Think!**
Brainstorm and discuss between child and caregiver about our theme of the month.
- **A Do!**
Move, Create, or Act out an activity specially created for our littlest learners.
- **An Explore!**
Finding new ways to take in and observe outside world.

We will also have links to other activities you can do on the digital box located on The Rose Theater’s website and YouTube page for more fun songs, stories and games.

AUGUST

A Rose Theater
FIRST STAGE Publication
A small stage for BIG imaginations

Theme: Jobs people have and the clothes they wear

Brainstorm and Discuss
5-15 minutes
Ages 3 and Up

Discuss the following questions:

- What are some jobs people have that you can see from your window?
- What do they wear that helps them to do their job better?
- Do you think they wear their clothes to stay safe? Do they wear that so other people know who they are?
- What are some jobs people in your home have?
- If you could have any job, what job would you choose? Why? And what would you have to wear to do your job better?

Jobs in Our Neighborhood Charades

Practice finding imaginative ways to show different jobs in your neighborhood through costume in a game of charades! There are many different kinds of jobs we see in our neighborhood. Use some of the ideas you brainstormed in the A Think! section to create in your game. See what costume pieces you can find to portray these jobs from what you have in your house!

Step One: Read over the list of jobs below:

- A Mailperson
- A Delivery Person
- A Visiting Nurse
- A Garbage Person/ Sanitation Worker
- A Bus Driver
- A Teacher (Maybe they are teaching virtually)

Add any other jobs you can think of. You can even add some jobs you would like to have one day! Maybe an artist, an athlete, a zookeeper, or even even a pirate or a wizard! Think Outside the Box! Be silly!

Step Two: Head to your closet (or your costume box, if you have one) and pluck out some items that might work for some of these jobs.

Step Three: Quick change time! Have someone in your family shout out these jobs at random. You have one minute to quickly change into the outfit that best represents this character! When the minute is up, hit a pose that really brings that job to life!

Outside the Home Scavenger Hunt

This is a fun activity to do on a walk outside, or on the way to school, or running errands. On this scavenger hunt we want to see what observations you can make about what people are wearing to their jobs?

Can you find someone who has:

Did you find them all?

You can ask an adult if you can look up why each job wears that particular clothing? You maybe can ask them when you see them, but remember to always ask your adult first.

DO!

Create & Act
