Spend your summer in the spotlight at The Rose! When you enroll in a drama, dance, musical theater, voice or acting camp at The Rose, you know that you are going to have an amazing time learning new skills, expanding your creativity, honing your technique and growing as a performer while having the time of your life!

In Summer 2020, The Rose will be doing some GROWING, too! Our 2020 summer camps will be the first classes offered at the new Rose Studios for Youth Artists. This new space at 12100½ West Center Road (just north of our current Rose West Studio) features 27,000 square feet of classrooms dedicated to musical theater, dance, voice, acting, creative drama and technical theater.

As one of the largest youth theater education spaces in the United States, The Rose Studios for Youth Artists features a total of 11 classrooms, including dance studios, music rooms, acting spaces and more. In addition, a 200-seat auditorium space allows student artists even more on-stage time for both rehearsals and performances. Young performers will enjoy state-of-the-art music equipment for the best sound experience, sprung floors with protective marley coverings to protect growing bones and joints, and a space to eat lunch, take snack breaks and socialize with other young artists. It is our goal to make The Rose Studios for Youth Artists a world-class training facility for young people, right in the heart of Omaha.

Of course, we will continue to offer a full slate of classes at The Rose Theater Downtown, giving young performers a wide range of options to fit your family’s needs.

Enroll today for a summer deserving of a standing ovation!
